Online Defensive Driving Course

How many times have you thought about taking a Defensive Driving Course but couldn't find the time to spend 6 hours in the classroom? Now you have no excuse. The New York State Department of Motor Vehicles has recently passed legislation that allows New York's motorist to complete the 6 hour Insurance Reduction course online rather than in a classroom. Those that choose this option receive all the same benefits (10% insurance reduction for three years and up to 4 points removed from their driving record), as those who take the course in a classroom. **Just go to www.empiresafetycouncil.com, enter code CLJ\$ to receive a \$5.00 discount.** The really great part is you have up to 30 days to complete the course from the day you started. If you stop at any point, when you log back on, you are at the exact same point. Nothing is lost. Don't wait, sign up today!

Expressive Glass

All classes will be held at **Expressive Glass**; 3333 Lake Shore Rd. (Rte. 5), Buffalo, near Woodlawn Beach and instructed by Vicki Schneider.

The studio is easily accessible from the Thruway and Milestrip Road.

Please specify which class and date you would like to attend.

How to Make Glass Beads

Turn hot glass into cool stuff! Join glass artisan Vicki Schneider at her beautiful studio for an introductory class of glass bead making. In just 3 hours you will make your own one of a kind glass beads and enter the mystical and ancient world of “lampworking.” This workshop will introduce you to the art of safely melting and manipulating soft glass. During the class most students will create from 3 to 6 beads they can later turn into jewelry.

Pick up your beads after they have been annealed (heated and cooled gradually to remove thermal stress) or have them mailed to you for a fee of \$7 payable to the instructor.

DATES and TIMES:

Sunday, February 18th 1:00pm – 4:00pm

Saturday, April 14th 1:00pm – 4:00pm

Saturday, June 2nd 1:00pm – 4:00pm

COST: \$70 (1 class)

Icicles Galore

Create lovely glass icicles to adorn your Christmas tree or hang in your window all year long. You will learn how to melt, stretch and twist clear and colored glass at a stationary torch under close supervision. You may also be able to make a smaller version of the icicles to wear as a pendant. No experience is necessary – only a willingness to try!

Pick up your project(s) after they have been annealed (heated and cooled gradually to remove thermal stress) or have them mailed to you for a fee of \$7 payable to the instructor.

DATES and TIMES:

Saturday, January 27th 10:00am – 12:30pm

Sunday, February 11th 1:30pm – 4:00pm

COST: \$60 (1 class)

Leaf Pendants

Make one or more beautiful glass leaf pendants you will proud to wear or give as a gift. Learn to melt and manipulate glass at a stationary torch under close supervision. No experience necessary. You will be amazed at how glass glows and stretches when it is hot.

Pick up your project(s) after they have been annealed (heated and cooled gradually to remove thermal stress) or they can be mailed to you for a fee of \$7 payable to the instructor.

DATES and TIMES:

Wednesday, March 21st 6:00pm – 8:30pm

Saturday, June 9th 1:00pm – 3:30pm

Floral Glass Pendants

Make several glass pendants with beautiful floral designs that you will be proud to wear or give as gifts. First you will cut small pieces of glass and place them on a graphite pad to create your flower. You will then learn how to encase your design in molten glass and form your pendants. You will be amazed and mesmerized as you learn to melt and manipulate glass at a stationary torch under close supervision. No experience is necessary – only a willingness to try.

Pick up your project(s) after they have been annealed (heated and cooled gradually to remove thermal stress) or have them mailed to you for a fee of \$7 payable to the instructor.

DATES and TIMES:

Sunday, May 20th 1:30pm – 4:00pm

Fun with Fusing

Make beautiful jewelry or decorative items from colorful pieces of glass you cut, arrange and heat together in a kiln. Create your own design or follow one of our project samples. Choose to make two pendants, a pair of earrings, two pins, two refrigerator magnets, one sun catcher, one glass tile or one night light. Additional fee for extra project, multiple firings (if required) and dichroic glass.

Pick up your project(s) after they have been annealed (heated and cooled gradually to remove thermal stress) or they can be mailed to you for a fee of \$7 payable to the instructor. If your project requires a bail, earring backs, magnet or night light assembly, the instructor will provide you with the needed materials in the mail or by appointment.
