Dear Parent/Guardian:

We will no longer be mailing **PROGRESS REPORTS AND REPORT CARDS**. They will be available for viewing/printing on the Parent Portal of the Lake Shore website throughout the year. It is very simple to sign up. If you need help with setting up your access to the Parent Portal, call the Counseling Center at 926-2320. You will need to provide a current email.

For those wishing to still receive paper copies of your child's **PROGRESS REPORT AND/OR REPORT CARD** by mail, complete the form below to 'opt-in' and return it to the Counseling Center by September 30th.

I would like to continue receiving the following:
