

# Meet Your Child's

## SPEECH - LANGUAGE PATHOLOGIST

### Ms. Holly Mangus

---

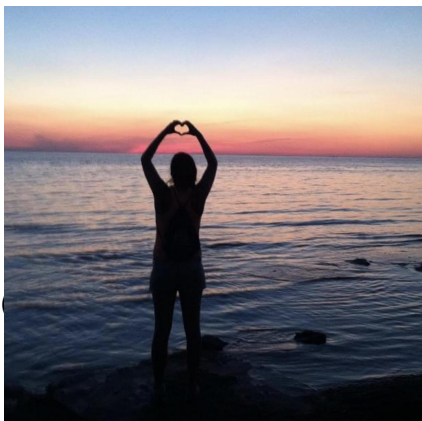

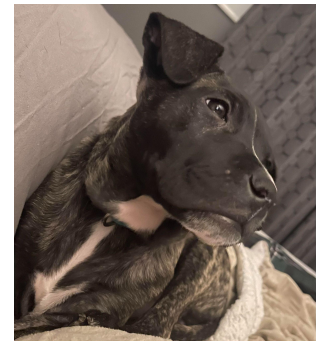

#### Welcome

My name is Ms. Mangus and I'm excited to be your child's Speech-Language Pathologist. I can't wait to work with him/her and am proud to working here at Highland as a Lake Shore Eagle!

#### About Me

I live with my dogs, Jax and Ginny. I enjoy taking care of my plants, watching Bills and Sabres games, and reading.

#### Experience

This is my 5th year as a Speech-Language Pathologist! I received my Bachelor's and Master's degree from SUNY Fredonia. Throughout my teenage years and during my college experience, I spent my summers as a counselor and most recently, a mental health counselor at Cradle Beach Camp. I also worked as a teacher's assistant at The Summit Center for a year after receiving my Bachelor's degree. I love to learn and plan to further my education in the future.
