Assignment #2
2/16/16 00:00:01

Assignment #2
2/16/16 00:00:01
0:00 | -0:01

Step 5:

You can now see the names of the voice memo recording/files you have renamed.

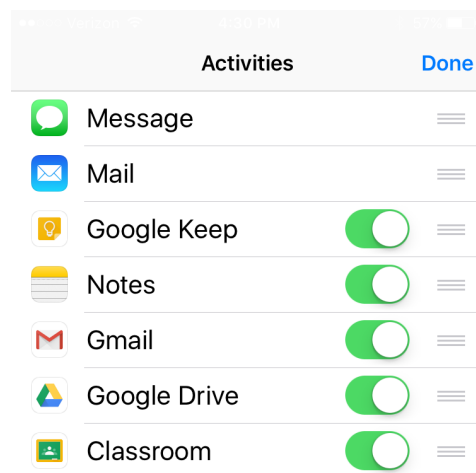

Step 6:

Click on the SHARE icon to attach to Google Classroom.

Step 7:

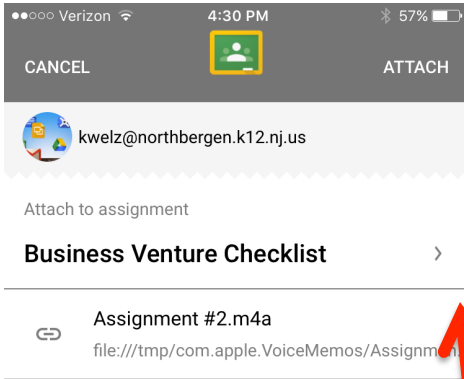

Locate the *Google Classroom* app. (You might have to scroll to the right). [If the *Google Classroom* app isn't showing up on the row of apps, click on the *More* button. See next step.]

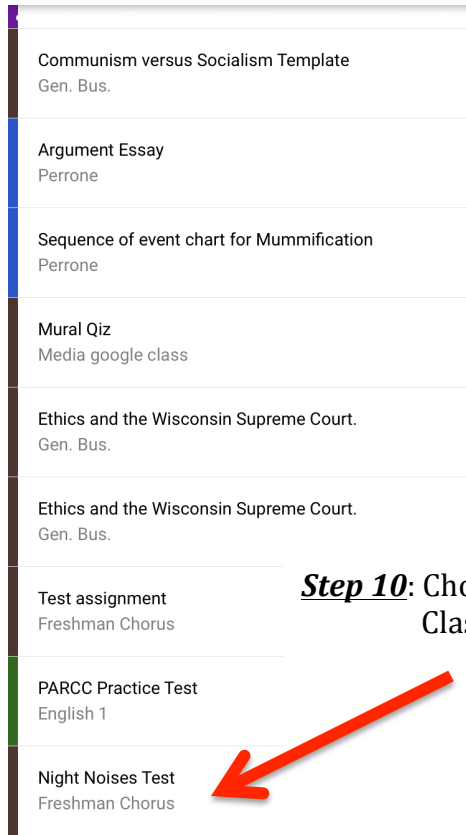

Step 8: Once you click the *More* button, you will see this list. Make sure the *Google Classroom* app is turned ON.

Step 9: Your file is now attached, but you have to select which class you want to upload your assignment to. Choose your class by clicking on the small arrow symbol above,

Step 10: Choose your Classroom

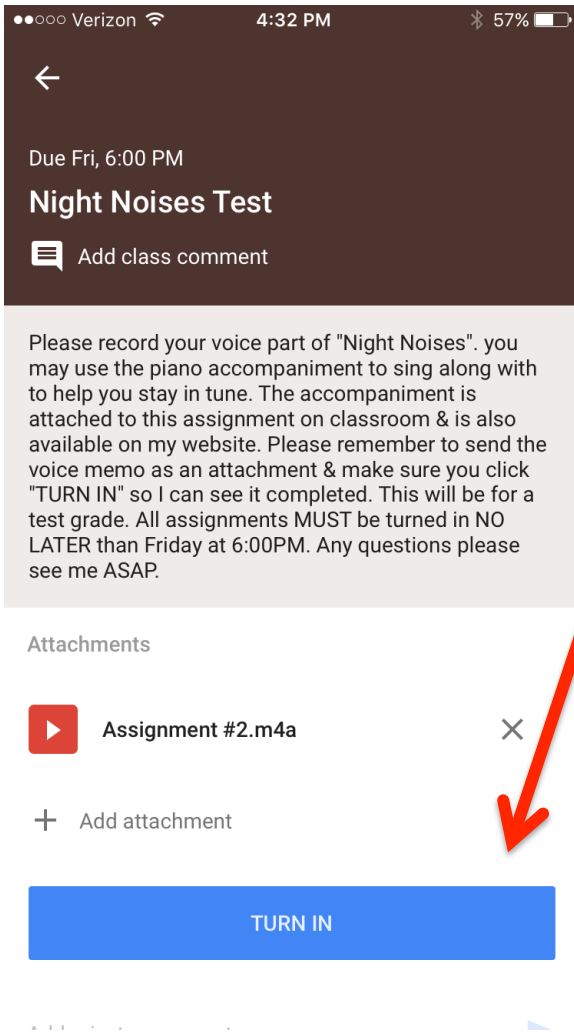

Step 11: Click on ATTACH. Your file is now ATTACHED, but you STILL have to "TURN IN" the assignment.

Step 11: Once you clicked on ATTACH, the iPhone attached your file, but did not TURN IN the assignment. REOPEN the *Google Classroom* app & click on the Assignment again.

Step 12: This is the MOST IMPORTANT STEP!

You will notice the file you just attached a minute ago.

Now, click on TURN IN.

Your assignment is now complete.
