

2019 UNIVERSAL STUDIOS MUSIC TOUR

Student Packet

RULES AND REGULATIONS

1. This is a school trip and **ALL OF THE SCHOOL RULES AND REGULATIONS** as detailed in the high school handbook apply **AT ALL TIMES!** Simply pretend that you are **IN SCHOOL** from the time we leave until the time we return.
2. Obviously, the possession and/or use of illegal substances such as alcohol, drugs, vaping or any form of tobacco product is **ABSOLUTELY NOT PERMITTED!**
3. If at any time you break the law such as, using and /or possessing illegal substances, stealing, vandalizing (that includes your hotel room – you cannot trash it), or if you participate in any other criminal act, ***YOU WILL BE SENT HOME IMMEDIATELY AT YOUR PARENTS EXPENSE!*** Parents you will need to sign an agreement to this affect before your child will be permitted to go.
4. **Medication Procedures:**
 - Any medication, even over-the-counter, must be signed in Wednesday morning with Ms. Nichols between 7:00-8:00am when arriving with your luggage.
 - Place all medications, including Over-the-Counter Med's in ONE baggie. This bag **MUST** have the student's name and the chaperone's name written clearly on the front.
 - Over-the-Counter Med's can only be administered if the Doctor Sign Off Form has been filled out and returned.
 - The bag **MUST** contain **detailed administration and dosage instructions.**
 - The baggie can have multiple bottles. Prescription Meds **MUST BE** in the original pharmacy provided pill bottle.
 - Each medication must be labeled & identified (“unpopped” med trays are fine)
 - All medications will be in the care of Lake Shore Staff; with the exception of an inhaler or approved over-the-counter medications!
 - See Ms. Nichols with any medication concerns.
5. Any drinking container you bring with you in your carry-on bag or luggage **MUST BE SEALED** or they will be thrown away. No “coffee mugs or thermoses” please. We will provide plenty of drinks.
6. The correct clothing for each day must be worn, including the shirts provided for you. **NO EXCEPTIONS!! DO NOT alter these shirts in any way.** No cutting, ripping, or “defacing” the shirts. We may use them for other events. You did not purchase them. They are not your official property until Summer ☺
7. **Don't forget your Concert Attire!!** That includes your Concert Dress, Black Shoes (ladies – no flip flops!), Black Pants, Black Suit Coat, White Dress Shirt, Tie, Black Socks, and Black Shoes (gentlemen). What will you do if you forget your concert clothes? You can't go on stage! It has happened, and I can assure you it's more than unfortunate.
8. **BE READY TO START THE DAY ON TIME! WE WILL HAVE SPECIFIC DEPARTURE TIMES IN THE MORNING. REPORT EARLY AND BE READY TO GO.**
On Time is Late, Early is On Time, and Late is Unacceptable!!!!!!!!!!!!!!!!!!!!!!
9. Each day may include being prepared with more than just the obvious. Know the itinerary and what you must have with you every day. It is crucial for this tour. When we leave the hotel, there is **NO** going back!!

10. **Lights out means GO TO SLEEP!** Room checks will take place before bed. There is no one permitted outside of his or her room after curfew. If you break this rule, you are going home. **DO NOT STAY UP!** You will need all of your energy for the next day's itinerary and performances!
11. **You will be in another part of the country. It is different than little Angola. Watch what you say, how you say it, and how you act, look, and "observe". You don't want your actions to be misinterpreted. If you're not sure if something is inappropriate, it probably is! I want people to comment to you and our travel party on your OUTSTANDING behavior and politeness.**
12. **"GROUP RULE" – No one goes anywhere at any time alone, for any reason, ever!!!!!!**
Stay in your groups!!!!!! Your groups are your roommates and the other room/s assigned to your chaperone – Travel together!!!
13. **CHECK-IN – Everyone must report for check-in with your chaperones ON TIME! NO EXCUSES!!!**
Close is not good enough. Our whole itinerary revolves around time – it is of the essence. You must plan your day around your check-in times. *One group late will cost time for everyone that night at curfew, and, if you're a continual problem, you will have to stay with your chaperone or me at all times for the remainder of the tour.*
14. **HOTEL ROOMS and BUSES – We have paid a considerable amount of money through a great deal of hard work to use these facilities. KEEP THEM NEAT AND CLEAN – Any extra cleaning fees our group incurs will be considered vandalism and you will be financially responsible along with the discipline aspect when we return to school. I expect your hotel rooms to be as clean as the classrooms you walk into every morning!**
15. **There is of course no Co-ed visitation at any time!**
16. **The hotel quiet time is 10:00pm.** Please observe this rule since there are many other paying patrons including families with small/young children staying there.
17. Directions from chaperones are to be followed at all times. Please do not argue. **Lack of respect or insubordination will be dealt with appropriately while on the tour and in an official capacity in school when we return. IF AT ANY TIME A CHAPERONE HAS TO SPEAK TO ME ABOUT A STUDENT'S BEHAVIOR, THE STUDENT/S WILL LOSE ALL FREE PRIVILEGES FOR THE DAY – NO QUESTIONS!** And, you will then continuously travel with your chaperone and do whatever they do for the remainder of the trip. Anything more serious will cost you a trip home!
18. Don't bring jewelry or valuables, you don't need them. Don't take the chance of losing something valuable to you.
19. Please **DO NOT** bring any sort of video gaming console. We don't have the room and you need to get to sleep, and shouldn't be up "gaming".
20. **School officials will search your luggage and instrument cases before departure. NO EXCEPTIONS!!!!!! Refer to the Departure Procedures**
21. Bus Restrooms are to remain private. No student or adult should feel uncomfortable using the restroom on the bus. – BE MATURE!
22. **The focus of this trip is the music and our performance. YOU MUST REMEMBER THIS AT ALL TIMES!**

23. There are signs posted near the Florida Ponds that say, “Alligators have been seen on the premises.” Please do not find out first hand (pun intended).
24. Relatives accompanying the trip must realize that the students are on a tight schedule and under the auspices of the school, and must stay in their groups and follow the itinerary for organizational purposes. You can certainly join us, but you can’t take your kids and enjoy your own itinerary, I’m sorry.
25. You will miss three days of school and the district was very generous in granting us the time for our festival trip. **I expect all of you to be in school and back in class, prepared, first thing in the morning (not late) Tuesday, April 9th – No Exceptions. If you are not in school Tuesday morning, I will personally write you up.**
26. You may not use the phrase or any form of the phrase, “Are we there yet!”
23. Enjoy the musical experience – You’ve worked very hard, **MAKE THE BEST OF IT!** Remember, this is not a vacation. The memories you will have will be that much better with a performance focus. Be part of and continue a fantastic tradition of Excellence.

PERTINENT INFORMATION

Mr. Blodgett’s cell phone # 961-8336

I will check my voicemail periodically throughout each day. PLEASE, ONLY call if it is an emergency and remember to leave a call back number. Students, DO NOT call or text me as you will tie up our lines of communication with Home and the First Aid Stations in each area.

Chaperone Name and Cell # _____

1. **GET YOUR CHAPERONE’S CELL # IMMEDIATELY!!!!**
2. **2 Meals per day** are included. It is your responsibility to keep track of your meal card for the day. They are worth money. If you lose one, there is nothing we can do. Make sure to eat a good breakfast every morning. A wide variety of breakfast items will be available. Students who are malnourished tend to have health problems – Don’t ruin your experience because you are lazy or got up too late.
3. **First Aid** – There are first aid stations in each park. I will check-in with them regularly. If you become ill, contact your chaperone and, if necessary, proceed with a partner to the first aid location. We will come to you.
4. Drink plenty of water to stay hydrated – **THIS IS VERY IMPORTANT!** Avoid carbonated beverages and large amounts of sugar based drinks, they dehydrate you quicker. If you are thirsty, you are already in the beginning stages of dehydration.
5. Bring and wear a watch or use your cell phone clock. You will need it to follow the itinerary.
6. We will still be following the itinerary rain or shine. In case of inclement weather, go to K-Mart or Walmart and get a compact poncho that will fit in your pocket from the outdoor/camping dept for a \$1.00 or \$2.00. The park ponchos are \$10 – not worth it.
7. If you are ill, please alert your chaperone ASAP. If you are ill before we leave, it is also very important that we are informed.

8. **Lake Shore Supervision/Security staff will be on watch nightly from 11pm to 7am. Mrs. Sterner and Mrs. Gibbons**
If you have a problem that you would deem “emergency” like, let them know and they will assist you. On the flip side, they will be closely observing your rooms to assure you get a “good night’s sleep!”
9. **LUGGAGE ALLOTMENT: 1 Soft-sided Suitcase, 1 carry-on bag (small), 1 garment bag (it would be best to fit at least two or more people in one bag), and your instrument and folder.** Please DO NOT pack for a four-week vacation!!!! Space is tight this year.
Bring essential items in your carry on. i.e. toothbrush, toothpaste, contact solution, soap, deodorant, wash cloth, etc....
10. Bring something comfortable i.e. – pillow, *small* blanket, sweatshirt, for the bus ride
11. The coach buses have DVD players and WiFi. Bring a video that you think is appropriate for a school event!
12. Utilize the restroom facilities *during our stops*. Try not to use the bus facilities unless it is absolutely necessary! Remember, what you do on the bus *stays on the bus*!
13. **YOUR INSTRUMENT AND ALL OF YOUR LUGGAGE MUST HAVE AN I.D. TAG ATTACHED.** If you use a school owed instrument, I will provide the school I.D. – you must still purchase an I.D. tag for yourself. Everything you take must be clearly marked with your name – NO EXCEPTIONS! If something is not marked, it will not be put on the bus. **Taping a case is not acceptable.**
14. **Lake Shore T-shirts must be worn on the assigned days.** Refer to the itinerary.
15. You will need money for the bus ride down and back. We will be stopping for meals! Don’t forget you might also want some spending \$\$ for souvenirs!
16. Actual room assignments in the hotel will be given when we arrive. Mrs. Fulton, and Mrs. Leone will have everything all set. You will need to be organized and patient so we can check-in in an orderly and efficient fashion. Do Not exit the bus upon arrival until directed to do so by your chaperone.
17. Each of your groups will be assigned a bus. Each bus will be assigned a color. This is important for bus packing procedures. You must ride “your” bus wherever we go. **NO EXCEPTIONS!**
18. The bus ride is approximately 21-22 hours (including stops). Please do your best to stay relaxed and comfortable and remember that we are all under the same circumstances. Be courteous, polite, and patient.
19. **Percussionists** – It is your responsibility to have all of the necessary sticks/mallets in your stick bags as well as the needed equipment/stands in the trap cases wherever we travel. **DO NOT EXPECT THE OTHER BAND TO HANDLE IT! Work together to assure that we are prepared before and after each performance.**
We will be taking some percussion instruments, you're responsible for their care and transport at all times!!
20. **All Instrumentalists** – You are responsible for your instruments at all times. You pack and unpack them as needed. The chaperones are not responsible for loading or unloading your instrument, ever! **DO NOT FORGET THEM AT ANY LOCATION!!!**

21. All instrument cases must be cleaned out before we travel. Your case should only include your instrument, reeds, oils, any other needed supply item, and mouthpiece.
22. Section leaders; You are responsible for making sure your section is set with music and otherwise at all times!!!!
23. Librarians; You are responsible for folder transport throughout the trip.
24. Stand partners should take *ONE FOLDER ONLY*. You are responsible for giving it to the Librarians and making sure they know your number/stand/instrument/stand.
I.e. 1st Stand 1st Clarinets of Symphonic Band should, with pieces of masking tape, put this info on the front of the folder as follows;
SYMPHONIC BAND
1ST CLARINET
STAND 1
25. I would recommend having your instrument serviced before the trip – Just in case there are any unforeseen problems!
26. Pictures will be taken at different times throughout the tour and following our performances.
27. Please take lots of pictures for the End-of-year Slide Show!!
