ADD-0000070 6-Pack of Tourte Mutes: The original Tourte mute is the world's most popular orchestra mute! There are many imitations available, but they are made from inferior die-cut synthetic rubber which sacrifices functionality, longevity, and sound quality. The original Tourte orchestra mute's molded rubber construction allows for ease of application and removal, as well as superior sound by avoiding rattling and contact with the string where imitation mutes don't. A small pin on the top makes it easy to remove and slide down the string when not in use. Used for chamber music, orchestra and personal practice - light muting level. Original: Not a Copy! - SHAR PRODUCTS COMPANY					Quantity: 2.00 Each
