INSTRUCTIONS TO BIDDERS

PROPOSALS:

Shall be as directed on the "Notice to Bidders".

Signatures shall be in long hand, and completed forms shall be without interlineations, alteration, or erasures.

Owner reserves the right to waive any formalities in any and all bids.

QUALIFICATIONS OF BIDDERS:

Competency and responsibility of bidders will be considered in making the awards. Owner will award contract to the lowest responsible bidder. The Board of Education further reserves the right to reject all bids and re-advertise in the manner prescribed by law, where it is considered to be in the best interest of the District.

In determining the qualifications of bidders the Board will consider the record in the performance of any contract for similar services or products into which a contractor may have entered with the Board, and the Board specifically and expressly reserves the right to reject the bid of such bidder if the record discloses that such bidder, in the opinion of the Board, has not properly performed such contracts. The Board may make such investigation as it deems necessary to determine the ability of the bidder to perform the terms of the contract, and the bidder shall furnish the Board all information for this purpose as the Board may request. The Board reserves the right to reject any bid if investigation of the bidder reveals that in the opinion of the Board, the bidder is not properly qualified to carry out the obligations of the contract, and complete the work contemplated herein within the time limit agreed upon. **Conditional bids will not be accepted.** The bid determined to be second low shall be held in force for a period not exceeding 30 days after performance begins by the successful bidder. In the event of cancellation or default of contract, the Board of Education reserves the right to either award to the next low bidder or re-advertise the bid in the manner prescribed by law. In the absence of a statement to the contrary, the Board shall assume this stipulation to be agreed upon by the designated second low bidder.

SPECIFICATIONS:

Wherever a particular brand or manufacturer is named within the attached specifications, it is for establishing a standard of quality and the term "or equal" shall be understood.

Any bidder wishing to bid on "or equal" or better material than specified here-in shall present positive proof that such substitutions are equal or better and such substitutions may be allowed only at the discretion of the Board. Bidders are encouraged to submit samples of items alleged to be "of equal" or "better" quality.

PAYMENT:

Payment will be made on invoices presented following delivery and acceptance by the Board of Education. *Please note that the District will issue payment when orders are 100% complete, and will NOT issue partial payments for incomplete orders.

ESCAPE CLAUSE:

The owner reserves the right to cancel the contract within 30 days if contractor fails to live up to the contract specifications.

BUY-AGAINST CLAUSE:

In the event that the successful bidder is unable or unwilling to supply the agreed upon items in accordance with their bid awarded by the Board of Education, the District reserves the right to purchase the items from the next lowest bidder. In this event, the vendor that received the original bid award will be required to reimburse the District for any and all price differences incurred, and all legal costs incurred (if any) for the collection of such amounts.

Every bid or proposal hereafter made to a political subdivision of the state or any public department, agency or official thereof where competitive bidding is required by statute, rule, regulation, or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury: Non-collusive bidding certification.
