959 Beach Road
Angola, NY 14006-9782

Dear Board of Education Members:

This letter is being issued to provide the Board with recommendations for corrective action, for issues noted in the external auditor's report to the Board. The recommendations detailed herein were discussed by the District's Audit Committee on Wednesday September 15, 2021.

There were no items noted in the auditor's report that would require corrective action. The Audit Committee did clarify this point with the auditors when we met. For this reason, there are no corrective actions that are required to be implemented.

If you have any questions or concerns, please do not hesitate to contact me. Thank you in advance for approving the Corrective Action Plan as recommended.

Sincerely,

Daniel W. Pacos
Assistant Superintendent for Administration & Finance
