Writing:

Have your child write 1 to 2 sentences describing something that happened, something they did, or a place that they went.

Write an all about story. Pick a topic and write 1 to 2 sentences telling about it.

Phonics:

Cut the letters apart to use as flash cards.

Your child knows this as their phonics time. They are very familiar with this. They will likely be able to guide you through the process.

Show your child the letter and have them say the sound.

Then, you say the sound and have your child write the letter.

Make some words with 3 of the letter cards at a time to have your child read.

Say some 3 letter words for your child to write.

Create short sentences using some of the words.
