

Navigating EngageNY Skills Strand

First go to EngageNY.org

From this Main Page

hover over Common Core Tab

Click on Common Core Curriculum in drop down menu

Now you should be on the Curriculum Page

From the Curriculum Page

Click on Skills Strand, drop down will offer Ancillary Components Units 1-10

Unit 6 or Unit 7 would be a good place to start.

Click on the unit you want, drop down will offer several documents. If you look to the right, it lists the documents in order, for skills worksheets, you want the workbook, which is Document 2.

Click on Document 2, to the right you will see K Skills Unit Workbook

Scroll down on the right until you see downloadable resources again.

Pinkish PDF, Click on View PDF. Here you should be able to view the entire workbook and print what you want.

The pages for Skills Reader stories will be listed as the workbook page rather than the document page (ex. page 2.4)
