Protocol for Symptomatic or Positive COVID-19 Student or Staff

Student or Staff is Symptomatic
Fever, cough, shortness of breath, headache, new loss of taste or smell, sore throat, congestion, nausea, vomiting, diarrhea, muscle or body aches,
CDC symptoms at: https://www.cdc.gov/coronavirus/

Isolate and send home immediately. Inform student or staff they must seek medical attention and must have provider note or negative COVID-19 test before returning

Student or staff test positive for COVID-19. School notifies local county health department of COVID case
Use this form for Erie County: https://www3.erie.gov/covidform

- Local County Health Department contacts student, parent, or staff to perform case investigation and contact tracing.
- The Local County Health Department will notify the school for collaboration with contact tracing and to identify close contacts.
- Close contacts include persons within 6 ft. or less for more than 10 minutes. Contact tracers may also consider duration and proximity of contact and other criteria in determining close contacts.
- A close contact will be quarantined for 14 days from the date of last exposure, advised to monitor for symptoms, and recommend to get a diagnostic test 5 days or more after exposure.

Contacts to positive case can return to school after 14 day quarantine period.

Positive student or staff will be isolated for a minimum of 10 days from start of symptoms.
Student or staff must be 3 days without a fever, unmedicated, and have a progressive improvement in symptoms before returning.

Student or staff has note from a medical provider or negative COVID-19 test, or it has been 10 days from onset of symptoms
Allow student or staff to return.
