September 5, 2023

Dear Parent/Guardian,

This letter confirms that the children in your household attending Lake Shore Central Schools in School Year 2023-24 are receiving school lunch and breakfast at no charge this year under various state and federal programs. They are enrolled in the Community Eligibility Provision and are eligible for the monthly internet service discount and discounted connected device through the Federal Communications Commission's (FCC) Affordable Connectivity Program (ACP).

Child's Name	_____	School	_____
Child's Name	_____	School	_____
Child's Name	_____	School	_____
Child's Name	_____	School	_____

The ACP is a federal program to help eligible households pay for internet service. The ACP provides a monthly discount of not more than \$30 per month on broadband service and associated equipment (for example, a modem) for eligible households and not more than \$75 per month for households on qualifying Tribal lands. If your household chooses a plan from a participating provider that costs \$30/month or less, your household will receive that service for free.

Some participating program providers also offer discounted connected devices (a laptop, a desktop computer, or tablet) through the ACP. Households participating in the ACP are eligible for a one-time benefit of up to \$100 off one connected device as long as the household contributes more than \$10 and less than \$50 towards the cost of the device. Each participating household is limited to a single device discount.

To apply, fill out an application (either online, by mail, or through a participating service provider). The application can be found at <https://getinternet.gov/apply?ln=RW5nbGlzaA%3D%3D>. **ALSO**, you must submit a copy of this letter as documentation verifying your child/children receives school meal benefits through the Community Eligibility Provision in School Year 2023-24.

If you have questions about the ACP, your eligibility to participate, or to find information about participating providers near you, please visit <https://getinternet.gov/>, call 877-384-2575, or email acpsupport@usac.org.

Sincerely,

Daniel W. Pacos
Superintendent of Schools
