Vol. 26 #1 Graduation 2022

Graduation Class of 2022

At A.J. Schmidt, Kindergarteners joined the traditional Senior Walk Through. Ashton Keyes, flanked by Valedictorian Hailey Kliszak, right, and Salutatorian Molly Majewski, was having the time of his life. Can't wait to see him on *his* Senior Walk Through with the Class of 2034!

Don't follow my generation.

That was the advice Superintendent Dan Pacos gave in his graduation address to the Class of '22.

"We haven't gotten it right yet," he explained. "Oh yeah, we've discovered some cool things and invented some neat gadgets, but there are so many things we haven't figured out yet. Like how to cure cancer, how to get the countries of the world to live together

without invading one another, how to get our elected legislators to work together for the good of their people instead of what

lobbying groups want, and how to treat every human being with the dignity and respect that they deserve. Your generation can change all that, and maybe finally get this right.

My hope is that you will – we've given you a great foundation. So as you all leave here today remember – go where there is no path, and leave your trail! Go out there and make us all proud."

Above: An exuberant Kia Cooper waves her diploma as she approaches Board of Education members Arlene Dejoy-Meckes, Kathleen Chiavetta and Mike Franey offering their congratulations.

Inset: Superintendent Dan Pacos.

Celebrating Our Grads!

Above: Donte Salatka gives a big hug to Brody, younger brother of his friend and fellow graduate Brandon Szalkowski.

Top Right: Violet Haring in graduation cap and traditional attire.

Middle Right: Tyler Schott, left, and Sean Robinson share a congratulatory handshake.

Bottom Right: Kimberly Wood, with even her hair in the school spirit.

GRADUATION 2022

Top: Hats off, we're on our way!
Above: Proclamation of self-confidence!
Left: Valedictorian Hailey Kliszak and classmates after receiving diplomas.

Meet the 'Top 10'

They are our future FBI analysts, chemists, psychologists, engineers and medical professionals ...

Valedictorian: HAILEY KLISZAK

Greatest influence: My mother. She is the most resilient woman I know and truly my greatest friend. She has been by my side through it all and has been so supportive.

She has always encouraged me to follow my passions and reminds me of my worth.

Anticipated College and Major: I am unsure what major, but my interests lie in the arts, the environment, and English. Of the many colleges I applied to, I'm looking at RIT, Fredonia, and St. Bonaventure.

Future plans: "I intend to make my own way in the world." This is one of my favorite quotes from "Little Women." It's a motto I hold dear to my heart whenever I am asked to explain everything I have planned for my future. The truth is that I don't have everything planned out and I wouldn't want it that way. There are many things I want to do in life. I want to run, and be artistic,

and try new things, and fail, and learn, and grow. I think life unravels as you make your way through it and who knows what you will do or where you will go or who you will be. All I can tell you is that I plan to follow my dreams and that I'm going to make my own way in the world.

Favorite High School Memory: A collection of all my favorite moments at Cross Country practice. Riding around in the gator after meets, swimming in the lake, jumping in the mud, running in the rain, going on long runs with my friends, singing Disney songs, and climbing on hay bales are just a few of my favorite memories that make me really appreciate the beautiful moments in life. Nothing could ever replace my cross family or all of the formative experiences I've shared with them.

Advice to students: Be true to yourself. Be who you want to be and don't change who you are for anyone. Be friends with who you want, dress the way you want, play the sports and instruments you want, make art the way you want.

Salutatorian: MOLLY MAJEWSKI

Greatest influence: One of the greatest influences in my life is my older sister. She inspires me to work hard and take care of my mental and physical health. My family has taught me how to be a good human.

Anticipated College and Major: University of Rochester or UB, majoring in biomedical sciences.

Future plans: To help people. The medical field is a good way for me to help those who need it.

Favorite High School Memory: Being in the music program, going on trips and being a part of an amazing family that plays music together.

Advice to students: Grades are important and keeping them high is a good thing. However, being able to enjoy high school is part of the fun, getting involved in extra-curriculars can lead to so many amazing opportunities.

Class of 2022 'Top 10'

3. BETHANY MONTROY

Greatest influence: My parents, who support me through everything and push me to be the best I can be. One person who stands out and impacted me at a young age is my uncle KJ; I envy the heart and drive he had.

Anticipated College/Major: Either D'Youville or Ithaca College. Though I'm still searching for my perfect area of study, I would love to pursue a direction within the medical field or possibly environmental sciences.

Future plans: Creating a photography website and possibly a small business with it is an important goal of mine. I wish to travel as much as possible and to continue hobbies I do today like reading, spending time with those I love, and being outdoors.

Favorite High School Memory: Going on the Europe Mediterranean trip; I met so many new people and saw some of the most beautiful places in the world. The memories I made will forever be my most treasured ones.

Advice to students: Fully participate in any opportunity given to you and don't rush. Go to school dances, go full out during spirit weeks, play or cheer on your friends in their sports. You'll get sick of hearing, "These years will go by-like that," but it is the truest thing anyone can tell you. Also, never be afraid to ask questions!

4. KATHRYN JUSTINGER

Greatest influence: My mom and my sister; three peas in a pod.

Anticipated College/Major: SUNY Geneseo/SUNY Optometry to complete a joint BS degree and OD degree.

Future plans: I plan to become an eye doctor and travel abroad.

Favorite High School Memory: Softball, volleyball, and my people.

Advice to students: As much as you don't want to, just do it. The answers are right in front of you.

5. KELLY CIAN

Greatest influence: My friends and family, they have always pushed me to work my hardest and have always been supportive of my dreams.

Anticipated College/Major: I have already committed to Ithaca College to major in Chemistry and Psychology.

Future plans: After getting my degrees I would love to work in the FBI as a forensic analyst, or possibly a profiler. While studying at Ithaca, I would also like to study abroad and be able to travel.

Favorite High School Memory: By far the majority of my great moments came from French class. Everyday I was surrounded by my best friends, and Mademoiselle never made the class dull. Each day it was something new, the class was full of laughter, it's going to be one of the things I miss most after graduating.

Advice to students: Get involved with everything and anything. High school is a very fast 4 years. Make the most of it. Don't let your comfort zone get in the way of having the best high school experience you can.

Class of 2022 'Top 10'

6. AMBER ODE

Greatest influence: My family and friends who push me to do my best but never push too hard. They always make me want to be the best me.

Anticipated College/Major: I'm still trying to choose where I'll attend but I'm an undecided major.

Future plans: I'm unsure of what my future plans are.

Favorite High School Memory: My favorite memory is either study halls with my friends or being in the pit for musicals, running through the soccer field or playing tennis with Liz after rehearsal.

Advice to students: My advice is that if it's 1 in the morning and you're still telling yourself you'll write that essay, you probably won't, so just get the sleep you need instead.

7. TYLER MITCHELL

Greatest influence: I have two greatest influences. My brother and my dad. My brother always pushes me over the edge, which has taught me to be patient and calm. My dad is the reason I am interested in engineering, he's always working on some project, whether it be renovating the house or maintaining our vehicles.

Anticipated College/Major: RIT, to get my bachelor's degree in mechanical engineering and I have also been considering getting a master's degree.

Future plans: After completing my bachelor's degree, I plan on getting a job in the engineering field. I hope to eventually own a business in the engineering field. I also want to build a family after I have an established job.

Favorite High School Memory: When all of my friends did the powderpuff cheerleading.

Advice to students: Stop procrastinating and invest your time in something.

8. TAYLOR SAWYER

Greatest influence: My mom and Grandma. From such a young age they showed me what hard work was like and have helped me every step of the way. They are the most hardworking women I have ever seen. Also Ms. Kester for piquing my interest in biology, and pushing me to branch out and get involved.

Anticipated College/Major: Biomedical Science at UB .

Future plans: I'm not sure exactly what career I am going to pursue but I am looking forward to learning more about biomedical science and perhaps working in the medical field.

Favorite High School Memory: Going to Disney with the Academy of Business and Finance. Learning about leadership and team-building!

Advice to students: Don't stress over things that won't matter five years from now. There is no need to overwork yourself over assignments. Mental health is so much more important. Ask for help and remember to take care of yourself first.

Class of 2022 'Top 10'

9. AMBER O'NEIL

Greatest influence: My mom is my greatest influence. She always told me the right thing at the right time. She is very important to me and I know she'll always be there when I need her.

Anticipated College and Major: I will be going to the Rochester Institute of Technology (RIT) for psychology. I don't have a definite field yet but developmental psychology seems interesting.

Future plans: I would like to get my master's in psychology, buy a house, and start a family. I would also like to stay in the WNY area to stay near family. I would like to travel, as well.

Favorite High School Memory: My favorite memory would be going to Universal Studios freshman year for the band trip and winning first place in everything.

Advice to students: Work hard enough but not too hard.

'... focus on the good bonds with friends and family, wonderful times and moments you create, those are what matter the most ...'

– Caitlin Zolnowski

10. CAITLIN ZOLNOWSKI

Greatest influence: My greatest influence would be Mr. Blodgett. He has helped guide me in the right direction all throughout High School, given me advice in the forms of professional advice as well as "Dad advice" when I'm stuck, and has helped me grow as an individual, in band, as well as in life.

Anticipated College and Major: SUNY Albany or University at Buffalo for Biological Sciences.

Future plans: My future plans are hopefully to help create medicine and cures for illnesses, or work in a hospital to help people achieve their best and full health.

Favorite High School Memory: My favorite High School memory is being in the music program for all years of High School. We had the opportunity to go on trips such as going to Florida our freshman year. Pep band was always fun to participate in because it was always so lively. It built stronger bonds in our Band family.

Advice to students: My advice to students would be to not panic when you don't know something, such as not knowing who you are as a person or what you want to do after High School. All throughout High School, I stressed over things such as these and it caused anxiety and made me miss out on wonderful experiences.

Just focus on what you do know, and with time, everything will come to you. Focus on the good bonds with friends and family, wonderful times and moments you create, those are what matter the most or else you miss out on wonderful opportunities you'll never be able to experience again.

Lake Shore High School Scholarship Awards 2022

Teachers were on hand to guide students and make sure the processions went smoothly during the Kindergarten Celebration and 5th Grade Moving Up Day events at J.T. Waugh Elementary School.

**Also
Moving
Up
&
Moving
On ...**

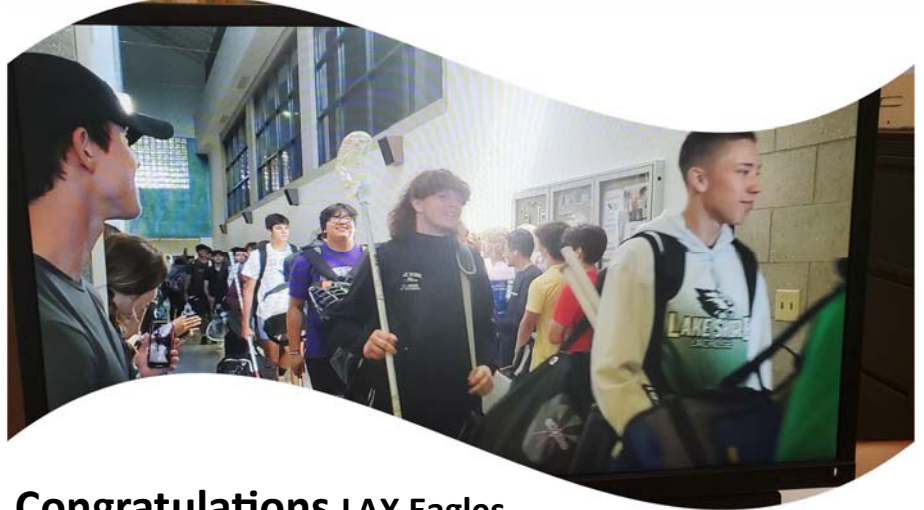

Celebrating & Moving On!
A.J. Schmidt sent its fledglings on their way with song and good cheer as the school held its Kindergarten Celebration (top left) and 5th grade Moving Up Day (top right). Similar rites of passage took place at Highland for its Kindergarteners (below) and 5th graders (at left).

Celebrating Athletics!

Congratulations LAX Eagles,
our Far West Regional Champions!
And THANK YOU for getting us to the semi-finals...
what a season ... we sure enjoyed the ride!

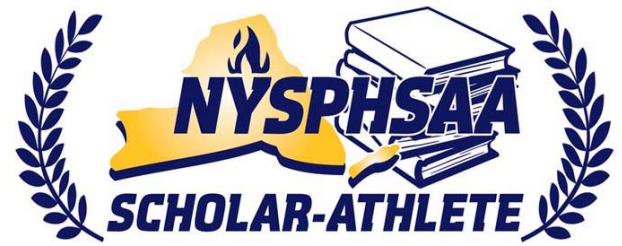

Champion!

Alexiya Thuman, All Women's Wrestling End-of-Season Championship, Section VI.

Commitment!

Hailey Garrison committed to the Fredonia Cheerleading team, soon to be soaring to new heights as a Blue Devil.

Scholar Athlete Teams!

To qualify as a Scholar-Athlete team, the team's grade point average (GPA) for 75% of the roster must be greater than or equal to 90.00. These Lake Shore teams qualified:

- Boys Cross Country
- Girls Cross Country
- Girls Swimming/Diving
- Girls Tennis
- Girls Volleyball
- Boys Swimming/Diving
- Competitive Cheerleading
- Girls Basketball
- Girls Indoor Track/Field
- Boys Indoor Track/Field

Signing! Congratulations to Tyler Schott (St. Bonaventure) and Hailey Klizak (Ithaca College) on their recent signings for collegiate level cross country and track. Pictured with them are coaches Jeff Connors and Mike Brinkerhoff and assistant coach Trisha Sills. With Tyler is his mother, Erica Schott, and with Hailey is her father, Richard Klizak.

Celebrating Athletics!

Boys Varsity Track & Field Win Division and ECICs!

The Boys Varsity Track Team completed an undefeated season as Division Champs and took 1st at the ECIC Division 2 meet at Pioneer.

2022 South All-Star Cheerleading Team

Ava Waterman and Nina Wholf will represent Lake Shore at the Kensington Lions Club 46th Annual All-Star High School Football Classic in July.

What a Year for Casey!

Casey Taylor took 1st in the 50 free and 100 free at ECIC. He broke the school record for the 100 Free, and then broke his own record at Class C finals with a time of 48.65. At sectionals, Casey placed 2nd in the 100 Free and 4th in the 50.

Fleet of Foot ...

Simon Connors and Brae Stender qualified for the NYS Track & Field Championship Meet. Each achieved new personal records and Connors beat the school record (2015 grad Michael Roach's 10.9) for the 100 meter dash by running 10.7.

Celebrating Music!

All-State Band Students!

Lake Shore 8th grader Elliott Catalano (percussion) and 9th grader Emily Valentine (clarinet) were selected to participate in the 2022 NYSSMA Junior High Area All State Band. They performed auditions last spring on NYSSMA level 5 literature. Based on those auditions, they were selected to perform with the best 7th, 8th and 9th grade musicians from a four-county area. A day and a half of intense rehearsals culminated with an incredible concert at the college. They are students of Mr. Eric Blodgett and Mrs. Jennifer Kenny.

Bringing Home the Bronze! ...

The 6th and 7/8th Grade Orchestras performed at the NYSSMA Majors Festival held at Fredonia High School with both groups earning a Bronze award!

Celebrating Music!

These students performed an All-State Level Solo Audition to be named among the top student musicians in New York State. All received a great score and will find out in August if they made it!

Cierra Bluff, Jake Hopkins,
Erin McGarrity, Joshua Merritt, Carter Sterner, Mia Valentine

Named one of the NYS's Best Student Musicians on French Horn after auditioning with the Greater Buffalo Youth Orchestra

Joshua Merritt

Rated SUPERIOR after adjudication at Cedar Point Spring Music Festival

The High School Symphonic Band
The High School Mixed Chorus
The High School String Orchestra

Meet Our Tri-M National Music Honor Society Kids!

The Tri-M Music Honor Society, formerly known as Modern Music Masters, recognizes outstanding music students at the secondary level. Students must be enrolled in a school-sponsored music ensemble and/or class for at least two semesters with a minimum 3.0 average in music and academic courses, and they must demonstrate leadership, character and service. Lake Shore's Tri-M honorees are, top, from left: Emma Coventry, Nathan Guarino, Carter Sterner, Joshua Merritt, Melissa Sperduti, Molly Majewski, and bottom, from left: Caitlin Jurain, Anna Sheehan, Erin Lehnen, Elizabeth Degenars, Mia Valentine, and Hannah Dunmire. Not in photo: Allison West

Meet Our ECMEA All-County Kids!

These students were accepted into this year's Erie County Music Educators Association All-County Festival. Congratulations to:

Top, from left: Emma Skibinski, Molly Majewski, Hannah Dunmire, Samuel Eschberger, Emily Valentine, Carter Sterner, Jake Hopkins
Bottom, from left: Melissa Sperduti, Mia Valentine, Madison Steinert, Erin McGarrity.
Not pictured: Josh Merritt.

Celebrating Art!

Above: Tianna Thuman with her "Key Time" sculpture on display in the High School library-media center.

Above with their artwork at the Angola Library: Harper Bauer, grade 4, at left and Raegan McClure, Kindergarten, at right.

Art Abounds!

Student art abounds in school hallways, libraries and offices. This spring, artwork by J.T. Waugh students also stepped outside the school walls and graced the Angola Library for several weeks.

Below: Highland Kindergartener Evelyn Costello's art work featured in the District Office Art Show.

Celebrating Our 2022 Lambda Sigma Inductees

Our Lambda Sigma inductees have all taken College Calculus or AP Calculus, and at least 1 AP Science course, and have maintained above a 90 average in all their math and science classes throughout high school. The students, and their future plans, are:

Kelly Cian
Ithaca College,
Chemistry and Psychology

Sneha D'Andrea
University at Maryland, College
Park, Pre-Med track,
Major in Bioengineering, minor in
Romance Languages

Hannah Dunmire
Houghton College,
Elementary Education

Brittney Freebern
University at Albany, Chemistry

Kathryn Justinger
SUNY Geneseo, Biology

Tristan McMahon
University at Buffalo,
Computer Science

Tyler Mitchell
Rochester Institute of Technology,
Mechanical Engineering

Bethany Montroy
D'Youville University,
Nursing BSN

Amber O'Neil
Rochester Institute
of Technology,
Experimental Psychology

Amber Ode
University at Albany,
Undecided

Nina Wholf
University at Buffalo,
Exercise Science

Caitlin Zolnowski
University at Buffalo,
Biological Sciences

NHS Inducts 24

Service and scholarship, character and leadership. Those four qualities combine to set these LSHS students apart from many others, and that's what led to their induction into the National Honor Society. Congratulations to our 2022 inductees:

Blayze Becker, Cassandra Chiappetta*, Simon Connors, Giana Corsaro, Angelina Cosenza, Emma Coventry, Caitlin Dils*, Kate DiMartino, Samuel Eschberger, Riley Fleming, Sophia Genovese, Nathan Guarino, Joiise John*, Erin Lehen, Erin McGarrity, Joshua Merritt, Noah Mruk, Trinnity Palmer, Nyla Rivera, Austin Russell, Carter Sterner, Mia Valentine, Sydney Wilson and Maxwell Zielonka.
(* denotes Class of 2022)

National Honor Society Kids ROCK!!!

Celebrating Our National Junior Honor Society Inductees

Congratulations to these Middle School students who have been inducted into the National Junior Honor Society in recognition of their scholarship, service, character and leadership!

Salute to Mr. Houston ... The Lake Shore Middle School is now named the William G. Houston Middle School, in honor of the late longtime Superintendent. A mural in the foyer highlights his service to the District.

Age 4 by Dec. 1? They Can Start FREE UPK!

Ready to give your four-year-old a head start on school? Applications for the FREE YMCA UPK Program at the William T. Hoag Educational Center are available in the Main Office, 42 Sunset Blvd., Angola. The morning class runs 8:45 -11:15 a.m. and the afternoon class runs 12:15 - 2:45 p.m. Children must be 4 years old by December 1. UPK Student Orientation will be 11 a.m., Tuesday, Aug. 31. To make an appointment, call 926-2270. For a UPK registration packet, or questions, e-mail teresa.maiorana@lscsd.org or call 926-2480.

There is a wrap-around program from 7 a.m. until 6 p.m. on school days for child care. Call the Southtowns YMCA, 674-9622, for information.

Did you know? Lake Shore has openings for

**Substitute Cleaners/Laborers:
Needed Districtwide!**

**Substitute
Bus Drivers: \$19.75/hr.**

**For more information, contact
