STAFF ALERTS!!!

***Don't Make This Expensive Mistake!**

Security film has been installed on all first-floor windows and doors throughout the District.
WE CANNOT TAPE ANYTHING to these glass surfaces.

The security film is installed on the INSIDE of the glass.
Any adhesive—tape, stickers, etc.—damages the shatter-proof film, which **compromises security and voids the warranty**. **Repair is very costly.**

***You Must Have School ID to Use Lake Shore's District Office Entrance!**

There is only one secure entry to the High School, and that is the main entrance facing Beach Road. **ONLY** Board of Education members and Lake Shore employees may use the District Office entrance (facing the transportation center and North Main Street). **YOU WILL NEED to SHOW SCHOOL ID to ACCESS THE BUILDING THROUGH THE DISTRICT OFFICE ENTRANCE.** Those without a school ID, will be asked to enter through the main entrance of the building. NOTE: Students must always enter the High School main entrance, not the District Office entrance.

ECM will be observed at Lake Shore on Sept. 28
