

Lake Shore Family

Support Center

What do we do?

The Lake Shore Central School District Family Support Center is here to help Lake Shore families, students, and individuals by increasing the accessibility and acceptability of prevention and intervention services.

We are committed to enhancing physical, social, and emotional well-being by providing families with linkages to community and local area support services.

Services provided by the Lake Shore Family Support Center are offered to all district families FREE of charge.

How we can help?

Provide linkages for basic needs:

- Food
- Clothing
- Insurance
- Housing
- Utility assistance

Provide Referrals and linkage assistance to community-based services including but not limited to:

- Mental Health Counseling-
Family and individual
- Crisis and Emergency Services
- Substance Abuse Concerns

The Family Support center also ...

**... offers assistance
in addressing issues
with
students and families
including,
but not limited to:**

- Family Communication
- Divorce/Separation
- Substance Abuse
- Mental Health Concerns
- Anger Management
- Grief and Loss

Eagles Closet

Similar to Plato's Closet, we have a fully stocked brand new or gently used clothing closet at the High School which is available to all families in our District. We have (sometimes brand name): tops, sweatshirts, pants, workout clothes, cleats, shoes, boots, dresses, and undergarments for the whole family.

Everything is FREE and on a first-come, first-served basis.

Please email Keri Armbrust to schedule an appointment.
