Dear Community Members:

As you know, the Lake Shore Central School District is undergoing a major capital project that is renovating, updating, and building new spaces throughout the district. Phase 1 of this project is moving along with speed and efficiency, and our architects and construction team have begun to set up preliminary construction schedules for 2019-2020, 2020-2021, 2021-2022 and 2022-2023 school years.

We want to inform our Community of these preliminary schedules and their projected impact on the use of school buildings as time goes on. As these are projected schedules, please note that dates and affected areas may change with limited notice based on construction.

| | July 2019- May 2020 | May 2020- September 2020 | July 2020 August 2021 | July 2021- July 2022 | Jan 2022- Aug 2023 |

| JT Waugh | Available | Available | Available | Available | Available |

We hope that this advance notice will give you ample time to find alternate space for your activities during our construction project. We are also providing contact information of surrounding school district community education departments for you to explore should you need other accommodations.

You can find updated schedule information on the district website along with an email link for other project inquiries.

Once all of the construction work is completed, our state of the art facilities will once again be available for our Lake Shore Community to enjoy.

Thank you for your understanding.

Sincerely,

Charles A. Galluzzo, Ed.D.
Superintendent
Lakeshore Central School District

Ms. Jennifer Michalec
President
Lakeshore Central School District Board of Education
