May 18, 2021

Dear Lake Shore Families:

The teachers, staff and administration at Lake Shore are committed to providing the best possible educational experience for our students in a safe and accepting environment. Throughout these past months, we have adjusted our instructional plan while following guidance provided by the Center for Disease Control and the New York State Department of Health.

Erie County's positive COVID-19 rate has fallen below 100 cases per 100,000 persons over the past several days. The Lake Shore District will increase in-person instruction with social distancing of three feet in classrooms, to four days a week for middle and high school students, Tuesdays through Fridays, beginning on Tuesday, May 25, 2021. Students and staff must wear a mask whenever they are in the building and maintain a distance of six feet while in the cafeteria, gymnasium and music classes.

We will continue with a Monday remote schedule for all middle and high school students to prepare instructional material for the remote students we currently have in the District. Mr. Reidell and Mr. D'Anna will send out information this week regarding schedules.

Our elementary schools will continue to follow the current five-day of in-person instruction schedule.

Sincerely,

Dr. Charles A. Galluzzo  
Superintendent  
Lake Shore CSD
