BOARD NOTES

Board of Education members received a warm welcome when they held their work session on Tuesday night at A.J. Schmidt Elementary School. There was a sign to greet them, along with notes, a refreshing snack and a Scribble Stone at each Board table seat. (Remember those Scribble Stones with positive messages sent to all District employees on World Kindness Day a while back? That was an AJS project!)

Lake Shore 2022 SARD Honorees

Every year, the Erie-Niagara School Superintendents' Association honors the top three academic students graduating from every public and non-public school in Erie and Niagara counties.

This year's Lake Shore honorees are Hailey Kliszak (Valedictorian), Molly Majewski (Salutatorian), and Bethany Montroy. These students, with their High School principal, Superintendent and a member

of the Board of Education, will gather later this spring at E-NSSA's Scholastic Achievement Recognition Dinner (SARD) at Salvatore's. Each student receives a crystal bison as a memento of this distinct honor.

We'll be sharing more information about these students, and the rest of our academic 'Top 10,' as graduation season approaches.

Rossano Galante

**Top Film Composer to Work
with HS & MS Music Students**
*FREE CONCERT follows at Middle School
at 7 pm, March 15*

The children's artwork seen by Board members on their building tour left no doubt that it was snow season, but the warmth of kindness reigned!

After the tour, Principal Jill Clark updated Board members on the District's K-5 English/ Language Arts goal, and social-emotional learning at AJS.

Our Thespians at the High School & Middle School

A Play and A Musical Brighten These Final Days of Winter

Congratulations and many thanks to all involved in the recent productions of 'Almost, Maine' at the High School and 'Frozen JR' at the Middle School. It is so great to see such talent, hard work and commitment !
