ALEC MEYER and his award-winning bridge design!

Just before spring break, Lake Shore's Residential Structures class competed in the ABCDWN Kenneth T. Rybarczyk Memorial Bridge Contest.

"The Western New York Association for Bridge Construction and Design holds this contest every year (with a 2-year covid break) to promote interest in bridge construction and design among High School students," says technology teacher Christopher Panfil.

Esports Crew Qualifies for State Tournament

Esports is only a year old here, but our students will soon be competing with the best in the state. The High School Esports crew finished in the top half of New York State for HSEL (High School Esports League) and made it to the NYS Championship Tournament for Rocket League.

"We barely made it but squeezed in as the 16 seed," says advisor Mike Drezek. "We'll be playing number 1 seed Poly Prep from Brooklyn. It will be an uphill battle but the kids will be excited regardless and hope for an upset."

We're so proud of ...

Mike Zeffiro, Class of '08

One of Lake Shore's own is the guest artist at the 7 pm, Tuesday, April 26th District Jazz Concert in the Middle School Auditorium. Currently a freelance jazz pianist in New York City, Mike Zeffiro, LSHS Class of 2008, grew up immersed in music and has performed around the world. He returns to hold workshops with the District's High School and Middle School jazz ensembles and High School show choir.

AJS Kids Taking Comedy Very, Very Seriously!

They stay after school to work on their skits and they work very hard at it. Professional comedians will tell you that being funny is hard work. It takes rigorous discipline, impeccable timing, and practice, practice, practice.

Members of Comedy Troupe at A.J. Schmidt Elementary School are having a blast, though, getting an absolute kick out of the occasional flub or forgotten line, as well as the final punch lines, no matter how many times
