

News & Notes

following the Board of Education Meeting of 8/23/2022

Eagles are back!

Coach Dan Russell and assistant coaches Sean Kunkel and Bob Ball had the football team running through conditioning drills this week so they will be in top shape.

Lake Shore's soccer, volleyball, swim and tennis teams also are gearing up for the season.

Go, Eagles!

In case you missed it ...

WNY's first electric bus hits the road this fall and it's right here at Lake Shore.

This week's training for drivers and mechanics and an official ribbon-cutting for the new vehicle drew lots of media attention.

Left: WIVB and WKBW TV interview Transportation Supervisor Perry Oddi.

Middle: Mr. Oddi and Superintendent Dan Pacos invite everyone to ride the new bus.

Right: Jennifer Jones from the Transportation Department was present, along with her daughter Alexa, who wanted to be the first student to ride the new bus. (She got her wish!)

Board of Education Aug. 23, 2022
