2 Lake Shore HS Students Among NYS Top Musicians

Every Spring, Lake Shore music students can perform a solo and audition for the NYS School Music Association (NYSSMA) All-State Music Festival, competing against thousands of music students throughout the state. This year, two LSHS students were selected as some of the state's top music talent. Joshua Merritt was selected as one of the top French horn players, and will perform in the All-State Symphonic Honor Band at the State Music Conference in Rochester (Eastman) in early December. Jake Hopkins was selected as an alternate trumpet player and has a chance to participate, pending the acceptance of the other All-State trumpet students.
