

**LAKE SHORE CENTRAL SCHOOL DISTRICT  
WORK PLACE VIOLENCE PREVENTION TRAINING AGREEMENT**

Lake Shore Central School District is committed to the safety and security of our employees. Workplace violence presents a serious occupational safety hazard to our agency, staff, clients, and students. Workplace Violence is defined as any physical assault or act of aggressive behavior occurring where a public employee performs any work-related duty in the course of his or her employment including but not limited to an attempt or threat, whether verbal or physical, to inflict physical injury upon an employee; any intentional display of force which would give an employee reason to fear or expect bodily harm, intentional and wrongful physical contact with a person without his or her consent that entails some injury; or stalking an employee with the intent of causing fear of material harm to the physical safety and health of such employee when such stalking has arisen through and in the course of employment.

Acts of violence against the Lake Shore Central School District employees where any work-related duty is performed will be thoroughly investigated and appropriate action will be taken, including summoning criminal justice authorities when warranted. All employees are responsible for helping to create an environment of mutual respect for each other as well as clients, following all policies, procedures and practices, and for assisting in maintaining a safe and secure work environment. To view the full policy is available on our District Website.
