

**Dealing with a family struggle?**

**Is your child bullied or recently suspended?**

**Feel overwhelmed or like nothing works?**

**Need support?**

# We Can Help!

**Gateway-Longview's Behavioral Health Clinic located at Lake Shore Central School District is now accepting new patients, children, adolescents and their families, and can help you reach your maximum potential.**

**"You are here for us."**

**"I have my son back. He is much more sociable and has less anger issues."**

**"Everything is perfect. I am comfortable, safe, and feel listened to."**

## When to Seek Help

Our licensed clinicians can offer help in addressing these situations and more:

- Grief and loss
- Aggression and fighting
- Post-traumatic stress disorder
- Mood and anxiety disorders
- Harmful acts to self or others
- Developing problem solving skills
- Improving communication
- Parenting support
