

# Sea Turtle

Sea Turtles live in warm waters

Sea turtles leave in the deep water of the ocean

The turtles always return to the same beach where they were born to lay their eggs

Some sea turtles will lay over  
100 eggs

Once the turtles hatch they head straight for the ocean

*There are more than 270  
types of turtles*

*Some adult sea turtles can weigh up to 1,000 pounds*

***Turtle shells have 59 to 61 bones.***
