Mentoring 101

Robyn Starr, Alden Teacher and Mentoring Consultant, returns to Lake Shore on August 3 with her annual training designed for anyone interested in mentoring. This professional development opportunity is scheduled from 9:00 to 11:30 – contact Melissa Bergler if you'd like to join us.

New Teacher Orientation

Newly hired teachers will be introduced to “everything Lake Shore”, including their mentors, on Monday, August 22. Our MTIP interns will receive welcome baskets filled with supplies – from electric pencil sharpeners to white board sets. A well-stocked classroom helps ensure a strong start to the year!

Mentoring Handbook

Do you know what to do if you lose your nametag?

Are you looking for a math link that includes worksheets by modules?

The Mentoring Handbook is designed for interns, mentors and all mentoring stakeholders as a resource to support the four Danielson Domains:

1. Demonstrating Knowledge of Content and Pedagogy
2. The Classroom Environment
3. Instruction
4. Professional Responsibilities

Check out the handbook at [Mentoring Handbook](http://www.lakeshorecsd.org/Domain/536)

Summer Mentoring Message

This excerpt from *The 21st Century Mentor's Handbook* provides direction for all stakeholders as the 2016-17 school year quickly approaches:

“To all Members of the School District Staff:

- **Ensure a strong start to the school year by providing time, resources, and support to new teachers.**

The school board, superintendent, district office staff, and school-based staff to include the administration, the teaching staff, the clerical staff, and the custodial staff should all play a role.

- **Provide information and support.**

Do not ask, “Do you need anything?” Instead identify what new staff members are most likely to need in: instructional support, professional support, personal support, logistical support ... and provide it!”

Everyone in Lake Shore-

Please seek out new staff members, put yourself in their shoes, consider what you can do to best support them and do what you can.

Thank you!

I eat for a lifetime.”**
