

## Mrs. Reichert/Mrs. Zappala Life Skills April 2025 Newsletter

Dear Lake Shore Families,

Happy Spring Everyone! We are finishing up the third quarter and report cards/progress notes will be mailed by the last week of April. We are looking forward to some beautiful warm and sunny weather in the next few months!

Our CSE meetings will be on April 1st and April 2nd. You should have gotten an invitation to the meeting from Paul Taylor, if not please let me know and I will reach out to him. Please review the IEP draft that I sent home and let me know if you have questions or concerns before our meeting.

The monthly Unique Learning System unit is titled "Ouch, That Hurts!". We will address the topic of first aid. The unit provides lessons and activities about various aspects of dealing with various injuries, and how to handle different real world scenarios. As we assist our young adults in the transition from school to work, it is necessary that they receive training in taking care of themselves and others at home and in the workplace. This unit will provide our young adults with the tools needed to understand how to treat minor injuries with first aid and how to recognize and deal with emergency situations that require more help.

We will be going on a field trip to Get Air Trampoline Gym on Friday, April 11th.

If you are doing any spring cleaning and would like to donate clean, gently used clothes to our Eagles Closet, you can send in small bags (in the backpacks) and we will sort and organize them for this community project. We are only accepting adult sizes at this time. Thank you

The SABAH Celebration on Ice Program is at the Convention Center on April 15th. If you are interested in attending, you must order tickets for you and your athlete by April 8th.
