Life Skills Newsletter  
December 2018

Hello Lake Shore Families!

We hope you all had a wonderful Thanksgiving holiday and enjoyed time with your families. We have had a very successful first quarter and are making plans for a fun-filled month of December. You should have received report cards and progress notes in the mail for the first quarter. We will continue to work on our goals throughout the 2<sup>nd</sup> quarter in class and at internships as well.

Last month we went to East Aurora to visit Vidler's 5 and 10 Store and Pasquale's Restaurant. A good time was had by all!

This month our Unique Learning System focuses on different holiday traditions. As we assist our young adults in the transition from school to work, it is necessary that they receive training in understanding the differences in people. During the December holidays, families celebrate in many ways. Each family has traditions that have been passed down from one generation to the next. It is important to understand and respect different traditions.

Our field trip in December has become a tradition enjoyed by our students, as we will travel to Hamburg and go bowling at Braymiller Bowling Lanes on Friday, December 14<sup>th</sup>. There will be more information coming home this week. Lunch will be provided.

We have a special "12 days of Christmas theme days" sponsored by Student Government throughout December and we will send home a finalized schedule if you choose to participate in any of the activities.

As a safety precaution, the office staff asks that if you need to get your student for an appointment that you come in the main office and sign him/or her out. They will call the class for your student to meet you in the office at the requested time. We appreciate your cooperation with this matter.

Please note the important dates for December to mark your calendars for upcoming events.

December Birthday: Lisa Watts- December 23<sup>rd</sup> Enjoy your special day Lisa!
