February 2019 Newsletter

Hello Lake Shore Families!

We hope you are all staying warm in this freezing cold weather we are having right now, but we're a tough bunch. We can handle it! We do need this snow for our February fieldtrip to Ellicottville! Maybe the old Ground Hog won't see his shadow and predict that Spring will be just around the corner! We can only hope!

Our January trip to the Buffalo Museum of Science was such a wonderful day! We were able to experience many hands on activities about weather, motion, dinosaurs and much more!

Our next field trip will be on Wednesday, February 6th. We will go to The BOCES Winter Carnival, Snow Tubing in Ellicottville. A hot dog lunch will be provided on that day. You may choose to bring your own lunch/drink and the snacks will be provided. Ex...popcorn, chips, cookies, hot chocolate and water.

It is very important that each student has warm layered clothing to wear for the trip. A winter coat, hat, scarf, gloves, snow pants and boots are a must in this bitter cold weather. An extra set of clothes should be brought to school to change into after the trip, if necessary. If anyone needs any of these items, we can try to provide them for you. Please let us know if we can be of assistance to you before the trip on the 6th.

The Unique Learning System theme for this month is **Getting Along With Others.** As we assist our young adults in the transition from school to work, it is necessary that they receive training in getting along with other people in a variety of relationships. The unit provides a focus on how relationships are different and how our behavior should reflect these differences.

Our Mid-Winter Recess is from Feb. 19th -Feb. 22nd. Classes resume on Monday, February 25th.

February Birthdays: **Adenan Abdulla-** February 21st Enjoy your special day Adenan!

***Please send in the completed Parent survey, if you haven't done so already, as your input is very valuable to me in writing the new IEP's for next year. Thank you. I appreciate your assistance.**

Important Dates
