February 2020 Newsletter

Hello Lake Shore Families!

It's hard to believe we have started our second semester this year! We have some wonderful activities planned for this month and are looking forward to Spring!

The Life Skills class visited the Angola Theater last month to see the Movie "Doctor Doolittle." A good time was had by all! This month we will be going to the BOCES Winter Carnival in Ellicottville. It will take place on Wednesday February 5th. They will provide a hot dog lunch with chips, hot chocolate and cookies! If your student is not interested in this for lunch or have restrictions, please bring a lunch that day or we can have one provided by the cafeteria. There will be many fun activities such as tubing, ice hockey, a hayride and music as well!

It is very important that the appropriate winter outer wear is brought to school that day. Coats, boots, hats, snow pants, gloves or mittens and dress in layers. Please bring an extra set of clothes for when we return to school.

This month's unit in our Unique Learning System is "Housekeeping". This unit will give our young adults the tools they need to keep their home clean and organized. See more details on the ULS Newsletter that will describe in detail what lessons and activities we will be discussing this month.

If you have not returned the parent survey please send it back when it is completed as it will help me create the new IEP's for next year. Your input is very important to the process. Thank you!
