

## Mrs. Reichert/Mrs. Zappala Lifeskills March 2025 Newsletter

Dear Lake Shore Families,

We hope you all enjoyed your mid-winter recess and are all refreshed to finish out the last few months of school! We have some fun activities planned for this month!

Unified Bowling Tournament will take place on Tuesday, March 4th at the Airport Lanes from 8am-1:45pm. The students that are on the Unified Bowling team will be participating in this event and are asked to wear their Lake Shore bowling shirt on this day.

The Superintendent Conference Day is scheduled for Friday, March 7th, so there is no school for students on this day.

Spirit Week will be Monday, March 10th to Friday March 14th. We will send home a schedule of daily themes as it becomes available. There will be an afternoon assembly "Clash of the Classes" on Friday, March 14th.

The "Spring Fling dance will take place on Saturday, March 15th from 7-10pm in the High school gymnasium. Tickets are \$20.00 and will be sold during lunch periods. PCA Google Form requests should be completed now for the 2 week window requirement from Special Programs.

The SABAH taping of the end of the year show will take place during the day on Friday, March 21st and the final day of SABAH will be Friday, March 28th at the Riverside Rink. The Premier is at the Buffalo Convention Center on Tuesday, April 15th, at 6:00pm. If you are interested in attending this event you must sign up beforehand. We will send home the information for your reference.

Lake Shore Special Olympics Swimming/Track and Field will begin soon and we will send home an information letter from Mrs. Asboth, with the application and health history for those interested in participating in these sports.

There will be no field trips in March, as we went on two trips in February. We will, however, have field trips in April, May and June to end the year on a fun and eventful note!

Our Unique Learning System unit this month is titled "Respectful Relationships," and addresses the topic of getting along with others. The unit provides lessons and activities about the importance of using appropriate social skills when interacting with different people. As we assist our young adults in the transition from school to work, it is necessary that they receive training in navigating a variety of relationships. This unit will provide our young adults with the tools needed to learn how each relationship has different rules and social expectations and how our behaviors should reflect this. The unit also emphasizes the importance of respectfully interacting with people who are different from ourselves.
