Mrs. Reichert/ Miss Murphy: Life Skills

Hello Lake Shore Families!

Happy Fall to one and all! We would like to take this opportunity in this month of Thanksgiving to say how grateful we are to be able to teach our students in the Life Skills Class every day! Happy Thanksgiving to all our Lake Shore Families!

We are in full swing of our daily routines as we have begun our internships on Tuesdays and Thursdays. Our students are doing a wonderful job as they are gaining valuable experience in our Community Based Instruction component of the Life Skills program.

We enjoyed a fun morning at Garage Fitness last month, in addition to spending a beautiful afternoon at Chestnut Ridge Park! This month we will be going to East Aurora on Friday, November 16<sup>th</sup> to visit to the iconic Vidler's Store. There will be more information sent home as we get closer to the date of our trip.

The theme this month for our Unique Learning System Curriculum is Time to Travel. This theme will focus on telling time and managing time using real world applications.

November Birthdays: Shane Codd November 2<sup>nd</sup> Enjoy your special day Shane!

Please take note of the important dates section this month, as we observe Veterans Day (we thank all who have served our country to help keep us safe). Thanksgiving and Native American Heritage Day.
