## **Life Skills November 2019 Newsletter**

Dear Lake Shore Families,

We hope you have been enjoying the wonderful Fall weather and the beautiful color changes of all of the leaves!

Our students have had a successful beginning to their internships and are learning many important social and work skills each week. These valuable skills will help them make an easier post-secondary transition for the future.

The Life Skills classes had a great time at Pumpkinville last month and were able to experience Ellicottville on a Fall day, go through a corn maze and bring home their own mini pumpkin as well!

This month's topic for our Unique Learning System is titled "Do I Need a Doctor?" This unit provides lessons and activities about the importance of caring for yourself when you are sick. As we assist our young adults in the transition from school to work, it is necessary that they receive training in self-care including when to see a doctor, taking medicines properly, and utilizing insurance to help pay for medical bills. This unit will provide our young adults with the tools needed to advocate for themselves when they are sick and help to know what to do to stay healthy.

This month we will be visiting the Kazoo Factory/Boutique in Eden on Friday, Nov. 8<sup>th</sup>. The students will have a tour of the facility and learn how kazoos are made and shipped around the world!

**November Birthdays: Shane Codd-November 2<sup>nd</sup> Happy 17<sup>th</sup> Birthday Shane!  
Enjoy your special day!!**

This month we are remembering our Veterans on Monday November 11<sup>th</sup>. We are very thankful for our Veteran's and are appreciative of their service to our country!!

As we conclude this month we will have a Thanksgiving recess on Wednesday, November 27<sup>th</sup>- Sun. Dec. 1<sup>st</sup>. School resumes on Monday, Dec. 2<sup>nd</sup>.

We are grateful for the opportunity to teach your young adults and are very thankful to be apart of the Lake Shore Central District community!
