

SEPTEMBER 2018 NEWSLETTER

Mrs. Reichert/Life Skills-Room101

Hello Lakeshore Families!

Welcome back everyone! I hope you all have had a beautiful summer. You all should have received a welcome back letter in the mail about our changes for the year. We are now located in the East wing of the High school in room 101. We also are very excited to have Mrs. Dawn Murphy as our Teaching Assistant in our class.

There will be a newsletter given each month to share our lesson themes and activities. The newsletter will be sent home as well as posted on my Lake Shore Teacher Website.

We will be using the Transition band of the Unique Learning System Curriculum this year. The theme for the month of September is Understanding Laws and Rights (Personal Life). This describes individual rights guaranteed by law with an emphasis on self-advocacy.

I am in the process of contacting businesses for the Community Based Instruction (CBI) Internships, which are an important component of the Life Skills curriculum. These internships will not begin until mid-October. You will be notified in advance when we are ready to begin. In order to begin the internships, all permission slips must be signed and returned to school. I will make follow-up calls to make sure these papers have been received and have an opportunity to speak with each family. I will also need a signed permission slip/medical form completed for our monthly field trips as well.

We will be going on our first fieldtrip on Friday, September 28th to the Buffalo City Hall. We will learn about our local city government and get a tour of the observation deck as well.

Our Open House will be on Thursday, September 20th at 6:30 p.m. I'm looking forward to seeing you there!

September Birthdays: Kristopher Kessel: September 27th
