

## Dec. 18<sup>th</sup> Bid Opening

Some 30 contractors were on hand on Wednesday, Dec. 18 for bid openings for Phase 2 of the district's Capital Construction project. Bids were submitted for electrical, plumbing, site work, and construction. Preliminary numbers show costs will be within budget estimates. Over the next couple of days, the bids will be reviewed to make sure cost parameters and scope of work expectations will be met. The Board meets at 4 p.m. on Jan. 8 at District Office to award the bids. Groundbreaking starts in February.
