Good Morning,

We appreciate your flexibility during this tumultuous time. We are allowing students to enter the building tomorrow (Wednesday). We will have a time schedule for students using last names. Students may enter the building but are expected to pick up things and leave immediately. If your teachers have communicated that you do not need to pick up anything please don't feel like you need to enter the building. **We do not want students loitering in the building.** We are also asking students to use different doors:

Freshmen and Juniors – use the east side door (facing buses) and pick up materials in the cafeteria. Any elective material will be available in both locations.

9 – 10 am Last Name begins with A - E

10 – 11 am Last Name begins with F - K

11 – 12 pm Last Name begins with L - Q

12 – 1 pm Last Name begins with R - Z

Sophomores and Seniors – use the west side door (facing Tim Hortons) and pick up materials in the LMC. Any elective material will be available in both locations.

9 – 10 am Last Name begins with A - E

10 – 11 am Last Name begins with F - K

11 – 12 pm Last Name begins with L - Q

12 – 1 pm Last Name begins with R - Z

Any student who was on home instruction should reach out to your counselor and or classroom teachers. Your instruction will now come from the classroom teacher until further notice.

Students will not have access to the HS building after tomorrow. As things change we will continue to communicate with you. No buses will be running.

If your teacher has not traditionally used electronic communication please look at their LS homepage for instructions. They will also have hardcopy instructions for pick up tomorrow in the cafeteria and LMC.

Above all, relax and spend quality time with your families, play a board game, talk, cook and be supportive over the next few weeks! We will be in contact and we miss seeing your faces. Wash your hands!!

All our Best,

Christine Koch
