*Parents:

Please note that you must attend the Lake Shore Drug and Alcohol Seminar in order for your child to attend all Lake Shore dances (including proms). By attending this seminar at our freshman orientation, you are covered for the next four years of your child's high school career thus enabling him or her to attend various Lake Shore functions.

Lake Shore Freshman Academy Student Supply List:

General:

- pens, pencils, colored pencils, glue sticks, loose-leaf paper, folders for all classes.

Core- Academy Classes (Math, Science, Social Studies, ELA):

- **five three-ring binders** with laminated, clear sleeve-fronts to place school-issued color-coded class labels and information in (each core-class will be color-coded)
- **Math Calculators (for Geometry and Algebra):** Graphing calculator, **TI 84C**, is most highly recommended for its benefits of color and resolution. The TI 83+ and TI 84 are also good choices (on sale now at *Walmart for \$89.00!*)

Freshman Seminar:

- A **one-subject notebook** (marble brand is preferred) that will never leave the classroom (other supplies for this class will be distributed by Mr. Connors).

Other Electives:

- Elective supplies may vary and depends on the teacher. However notebooks/folders are required for most classes.

Items NOT allowed at Lake Shore High School during the school day:

-backpacks (students will place backpacks and sports bags in their lockers during the day),

NOTE: You **will receive a school-issued agenda** that you will be required to use to be successful at Lake Shore High. The fee for replacing an agenda is \$5.00.
