

LAKE SHORE HIGH SCHOOL HANDS FREE/CELL PHONE PLEDGE

In an effort to keep our students safe while driving, we have decided to require each student to sign the pledge below. This pertains to driving on and off campus and we feel that distracted driving is a major safety risk for drivers.

I, _____ pledge to not use my cell phone while driving. I pledge not to text, email or talk on my phone without a hands free device while I am driving my car. I understand distracted driving is dangerous to me and the others on the road. I pledge to pass this message along to those I care about.
