

Mrs. Julie Wilkins

Speech-Language
Pathologist

J.T. Waugh

Elementary School

Welcome to back to school! I will be your child's speech-language pathologist (therapist) this year. In therapy, we work on all forms of communication from using communication books or devices, speaking (speech sounds), writing, listening, reading, vocabulary, and social skills to increase comprehension and use of all language skills. We will also be completing activities that focus on weekly themes and the curriculum that support what your child is learning in the classroom.

I look forward to helping my students this year to communicate more easily with their family, friends and teachers at school, home, and in the community.

Interesting facts
about me:

*I love collecting sea shells, beach glass, and being at the beach.

*I am married, have 2 children, and 2 dogs.

*I love to garden.

*I Love the Buffalo Bills!

Be on the lookout for
speech-language work
coming home after we
finish so you can see
and practice what we
are doing in therapy!
